

POLARIS 388

Qualcomm Quad-core

- Intergrated with Qualcomm 8625Q Quad-core 1.2 GHz CPU, let work more quick and steady. It improve the work efficiency of client.
- Support WCDMA, CDMA, GSM communication, could satisfy the different requirements of clients.

Exquisite smart phone design

- Exquisite smart phone design, touch screen and physical keyboard design help the operation more easier.
- 3.8" touch screen, 480*800 dpi, visible in the sun or outside.

Excellent industry performance

- IP65, strong and durable, 388HB adopts advanced and innovative configuration design, shockproof silicone protective sleeve help 388HB much more competitive on dust/water proof and anti to drop area.
- CILICO will offer barcode scanner, RFID reader SDK for redevelopment.

And with professional technical support during developing.

1D Barcode Symbologies

UPC/EAN, Bookland EAN, UCC Coupon Code, ISSN EAN, Code 128, GS1-128, ISBT128, Code39, Trioptic Code39, Code32, Code93, Code11, Interleaved 2 of 5, Discrete 2 of 5, Codabar, MSI, Chinese 2 of 5, Korean 3 of 5, Matrix 2 of 5, Inverse 1D, GS 1 DataBar, Composite Codes, etc.

2D Barcode Symbologies

PDF417, MicroPDF417, Data Matrix, Data Matrix Inverse, Maxicode, QR Code, MicroQR, QR Inverse, Aztec, Aztec Inverse, Han Xin, Han Xin Inverse, etc.

RFID

style="text-align: center;">>NFC:Fully support NFC, 14443A/B、 15693 Protocol, Reading Distance 2cm~5cm.reading position, battery cover.

UHF:* Built-in UHF RFID reader writer ,EPC C1/G2, ISO 18000-6C Protocol (optional).

Application area

Commercial & Retail

Largely used in the real-time inquiry for goods upgrade, products removal and the product information, at the same time, it is also widely applied in many subdivided fields such as cashier barcodes scanning and inventory management, in order to ensure the instant transmission of the information.

Public Affairs

The handheld PDA is equipped with Android system and diversified wireless communication models so that such high-efficient devices could strut its stuff in many important fields such as policeman security inspection, parking management, fixed asset inventory and significant material management, etc.

Electronic Meter Reading

Our products are widely applied in many fields, such as: the electronic power inspection, electronic asset inventory, electronic meter reading. Besides, CILICO RFID handheld terminal is more suitable to collect data in farther and more complicated environment.
